REPUBLIC OF TÜRKİYE
SÜLEYMAN DEMİREL UNIVERSITY
FACULTY OF HEALTH SCIENCES
QUALITY POLICY

The Quality Policy sets out the core principles, adopted by all staff, that have been established for the implementation and maintenance of the quality assurance system in all units of Süleyman Demirel University Faculty of Health Sciences, with an approach that takes legal requirements into account and keeps pace with change.

Süleyman Demirel University Faculty of Health Sciences;

a) Bases its work on its defined mission, vision, policies and strategic goals. It ensures that its activities are consistent with its strategic goals and targets, and monitors this systematically.

b) Follows the Plan-Do-Check-Act quality assurance approach in all its processes, and is committed to continuous improvement.

c) Secures the structure and sustainability of its internal quality assurance system through internal regulations.

d) Ensures the participation of all its stakeholders, especially staff and students, in its processes, and carries out activities to increase their satisfaction by keeping feedback channels open.

e) Aims to be a faculty that can compete nationally and internationally through the quality of the products and services it provides in all fields in which it operates.

f) Establishes and operates monitoring mechanisms to secure the Plan-Do-Check-Act cycle and to evaluate the performance of its processes. It evaluates the results and ensures that improvement methods are put into practice.

g) Uses information management systems effectively in the implementation of all its processes and ensures their sustainability.

h) Follows regional, national and international changes and trends, and carries out work to adapt to them. It gives priority to an innovative and entrepreneurial perspective.

i) Carries out all its activities based on respect for people and the environment, and with sustainability as a core principle.

j) Carries out activities to ensure that a quality culture is adopted and spread throughout the institution.

k) Ensures consistency among its activities in the areas of Education and Training, Research and Development, Community Engagement and its other management policies.
